How Do I Apply?

• If you are interested and you meet the eligibility requirements, see your early commitment advisor for information.

• The deadline to apply is November 15th of the 10th grade year.
How are students selected?

• Early commitment advisors work with school guidance offices to identify and enroll participants

• First step is to pull a list of all rising 10th graders who were eligible for NSLP in their 9th grade year

• Early commitment advisors randomly select a group of students to talk with about SOAR Virginia

• Select up to 15 students per cohort (year) to participate

• Beyond the first year in a school, Virginia529SM provides posters to hang to elicit interest in the program

• Eventually, students will self identify and be randomly selected to participate
An early commitment advisor’s perspective
